The CWB is a 501(c)3 non-profit providing chronic disease management and health education services to Sonoma County residents. ► **In 2009, 26% of our client-base received free or sliding scale services at the Center. All proceeds of this fundraiser will benefit the Center for Well-Being's childhood obesity prevention programs and help to off-set the costs of free and low-cost programs offered at the Center.**

To learn more about our community health programs visit our website at www.norcalwellbeing.org or call 707-575-6043. **Thank you for your support.**
